When choosing a subject put a number in the box (1 - 4) according to whether it is your first, second, etc., choice. E.g. If Maths is your favourite subject put 1 in the box.

Please note that all AS subjects will usually have 9 periods per fortnight with the exceptions of BTEC PE which is a double option and will have 18 periods per fortnight.

- Most students are advised to choose 4 AS level subjects in Year 12 drawn from Option columns A to D, with a view to taking 3 subjects through to A2 in Year 13.
- Some students may be advised to study fewer than 4 AS level subjects.
- Students who fail to gain a grade C in English Language or Maths will be required to join a re-sit group.
- The grid overleaf is a provisional one. It may be that we have to close a subject in a particular column if the group is too small.
